

## **Biography – Philip Vautier**

Phil grew up on the sunny island of Jersey before moving to London to study engineering. He worked for several years as an engineer in the capital before undertaking a two-year ministry apprenticeship at St Helen's Bishopsgate, followed by four years there as a Student Worker. The last three years have been spent as an ordinand at Oak Hill College. \Phil is married to Innes and they have four children – Clement aged 6; Margot, 4; Jesse, 2 and Perrin, 6 months. Having been in London for 16 years now, he and the family are looking forward to experiencing life and ministry in the north during his curacy at St Andrew's church in Ashton-on-Ribble.
