

## **Biography – LJ Tiffney**

As a passionate collector and teller of stories, LJ finds joy in learning new things and in sharing what she has learnt with others. She delights in talking about Jesus and the difference He makes to her life. LJ likes running and is always chasing a 5K personal best, though her love for baking (and eating) brownies often hinders her! LJ loves being in Blackpool and is thankful to be serving her curacy with the people of St Thomas'. She has learnt lots already and knows that there is much still to learn.
