## SPECIAL EDITION: Bishops' Easter Messages

Bishop Julian, Bishop Geoff and Bishop Philip have issued their Easter messages for 2017.

In his message, Bishop Julian reflects on the recent attack on Coptic Christians in Egypt on Palm Sunday while Bishop Geoff recounts the amazing story of the Lampedusa Cross which makes invisible migrants visible in a unique way around the world. Meanwhile, Bishop Philip talks about the new beginning available to anyone who comes to know Jesus as their friend.

You can read all three messages [here on the Diocesan website](#) where each message can also be downloaded as a Word document.

All three messages are also available in video format on the Diocesan YouTube channel:
